EXPERIENCE

🕒 UX DESIGNER | 2023 - PRESENT

SEYFOR

I am working on a new accounting software. My main responsibilities are designing flows, collaborating on UX/UI updates, maintaining design library, cooperating with developers and PMs, and creating new components and icons.

🕒 UXD INTERACTION DESIGN INTERN | 2021 - 2023

RED HAT

Worked with Red Hat's international UXD team, designed components for open-source design library Patternfly, created illustrations and icons, collaborated with other designers.

🕒 JUNIOR GRAPHIC DESIGNER | 2020 - 2021

IBM

Designed graphics such as new internal newsletter style, 2020 Agile conference logo, and HR department posters.
